Imagine you a weather reporter for the TV programme '**Three Peaks Challenge Special**'. You are responsible for giving a weather forecast to climbers about conditions at Mt. Snowdon, Ben Nevis or Scafell Pike. What information are you going to give the viewers? Remember, to include:

- Where you reporting from,
- What the weather is like: temperatures; rain/dry; misty/clear visibility
- How the weather might affect the climbs.

Create a photograph of the place you are reporting from.
