

"Come into my world"

Assessment Criteria

Your video clip will be **peer assessed**. This means that it will be marked by your classmates. Your classmates will use a set of **assessment criteria** to mark your work.

In the table below, you will see that there is a total of 50 marks available for your video clip. The table also shows you how the marks are divided up between five different categories. These are the assessment criteria.

Have a look through the table before you start planning your video clip so that you know what you've got to include in order to get maximum marks.

If you're not sure what any of the assessment criteria mean, ask your teacher.

Assessment criteria	Number of marks available
Use of geographical vocabulary	10
Reference to scale – personal to global	10
Range of information given	10
Relationship to landscapes explained	10
Awareness of similarities and differences between people	10
Total score	50
